## Treasurer Report

- approx \$8000 in account

## Staff Report

- lots of great trips in the last month
- kids went to "Fiddler on the Roof" at the high school
- Grade 5s having their next round of vaccinations
- coming in April - Mathematica and badminton

## Admin Report

- Maker Space is being designed
  - This is the shop/art/digital space in the school
  - Education Center specialist was in today - may be able to use some of the Learning Commons as a second Maker Space
  - putting together a committee to help design the spaces
  - looking at having a CHAT (Cochrane Healing Arts Time) room like Cochrane High - possibly hiring Brianne Link one day a week - share with the high school
- Casino money - would like to buy:
  - extra benches for the hallway (\$600-\$900, depending on size)
  - TV with Bright Signs program for school announcements, information - approx \$6000
    - students would be able to program
  - around \$14,000-\$15,000 still available in casino account - should be spent before next casino in September of this year
  - details should be sent to the fundraising committee so that approvals can be made - some expenses may have to be approved by the AGLC
- PD days - learning will be shared in May - up until then, teachers are free to explore what they need

## New Business

- staff appreciation - suggest June 1
  - notice will go out to parents to provide a potluck 'thank you' to the teachers - Marla will organize
  - later amended to June 8
